

THE BEST TOOLS OF THE TRADE JUST GOT BETTER.

INTRODUCING THE NEW RECOIL TRADE SERIES REPAIR KIT

1. New 2-way installation tool.

This easy-to-use insert installation tool now features a handle designed to hold the tap, eliminating the need for a tap wrench.

2. New magnetic tang-break tool. Tool breaks the tang of the insert, and the special magnet embedded in the tip of the tool allows easy tang removal from blind holes.

3. High-speed steel drill bit and tap.

4. 15 stainless steel inserts in sizes up to M12, 1/2".

SPECIAL INTRODUCTORY OFFER - 10% OFF GOLD PRICE.
